Own a property that was trashed by a renter?
Know someone with a hoarding problem?
Need to get your home back on the market fast?

Our business is to clean, disinfect and remediate odors at properties that are full of hazards: mold, urine and feces, dead animals, rodents and filth. We deal with the worst of the worst!

Estimates are always free and confidential. We are fully certified, bonded, insured and trained. Our goal is to restore your property at a fair price.

We work closely with the Wichita Hoarding Coalition, Kansas Adult Protective Services, Department of Family and Children and other not for profit organizations.
