

# Mold Remediation

Affordable, fast, professional service

## Have a broken pipe, flooded basement or wet crawl space?

Angel of Mercy Services provides a full range of emergency drying, water removal and mold remediation. We have regular and crawl space dehumidifiers, air movers, HEPA vacuums, industrial foggers and hospital grade disinfectants.

We provide free inspections and estimates to identify the source of your problems. A certified mold remediation specialist will address the water damage and mold for a price you can afford. In many cases, your home owners insurance will cover the costs.

## Did you know the average cost to treat mold in the home is around \$2,500?

Our prices normally range from \$200 - 1,500 for a basic mold treatment and drying.
